The Nicholas County Courier is to be revived. It may be that that new "religious" colony at Lebanon, O., has taken up business where Dowie left off.

When a newly married man shoots himself it looks like "marriage was a failure," in that case at any rate.

Alexander Dowie is reported doing a thriving business in his new field. This shows that all the fools in the world are not congregated in the United States.

Likely Parker, the Indian chief, who claims Judge Parker as a relative, is related to Colonel Parker, the full-blood Indian, who served on the staff of General Grant during the War.

Redmen's Powwow begins Monday, June 13th. Mr. Boyd K. Muse, after an illness of several weeks, has resumed his duties as Carrier on Rural Route No. 3.

The Kentucky delegation at the National Republican Convention at Chicago this month will have its headquarters at the Palmer House.

Mr. Lovel Samuel, who has been home a few days from school at Lebanon, O., will leave next Tuesday to attend the summer school at State College, Lexington.

Miss Harriett Thomas, born in this county April 23d, 1830, died Tuesday at Dover, after a long illness. The remains were interred yesterday at Mt. Zion, Bracken county.

When Painting

You should use a paint that is guaranteed not to peel, crack or chalk off.

ECONOMY READY-MIXED PAINT!

Is composed of carbonate of lead, oxide of zinc, linseed oil, dryer and only such coloring matter as is required to produce the various shades. When properly applied this paint will not peel, crack or chalk off; will cover more surface, excel in appearance and surpass in durability all other paints, not excepting pure white lead. If the result is not in conformity with the above the fault is invariably found with the manner of application or condition of surfaces painted.

LANDED IN JAIL

Gang of Youngsters Stoned C. and O. Conductor Near Foster

C. and O. Detective Jack Bingham made a big haul of juveniles at Foster, Bracken county, Wednesday morning for stoning the Conductor of through freight No. 72 at that place.

Their names are Francis Frazier, Joe Fisher, Dayton; Frank Power, Cincinnati; Bob Smith, Newport; Cliff Patty, Newport; John Moore, Covington.

Assisted by Marshal Teel of Augusta, the gang was taken to Brooksville and placed in Jail. Patty and Moore have confessed.

Detective Bingham captured the gang while they were around a camp fire not over half an

hour after the stoning occurred, being on a freight just behind No. 72.

It is thought they are the fellows who stoned the excursion train recently at Covington, when George Metcalf of Brooksville was hit and injured while the train was passing through Covington.

Are you going to decorate for the Powwow?

Miss Judith Keith, aged about 70, a native of this county, died recently at her home in Columbus, Ind. Her mother was a sister of the late David Frazier, and she had many relatives in this section.

At the Bluegrass Graded School Tournament which was held at Nicholasville last week, Harry Nate Lukins of Mt. Carmel, the representative of Flemingsburg High School, won the first prize, a medal, in the declamatory contest. The second prize was won by Horace Settle of Owenton.

Many attractions at the Powwow.

On Tuesday, June 7th, a benefit performance for the Washington Fire Company will be given at the Opera-house. A program of moving pictures, illustrated songs and polite vaudeville will be given. This is for a worthy cause and a good house should be in evidence, as a pleasing performance can be depended upon. The prices are 10, 25 and 35 cents, and are in reach of all. Seats on sale at Ray's Monday.

The Oddfellows of Felicity, O., will hold Memorial Services at that place Sunday afternoon, June 12th. Mr. Thomas A. Davis, Editor of THE LEDGER, has been requested to be present on that occasion and deliver the address. No doubt Editor Davis would be pleased to comply with the polite invitation did he have the time, and his health was such as to permit. Though not present in the flesh, his heart and soul will be with his Brethren on this solemn and sweet occasion.

Watermelons are now in the local market.

Mr. Leon Stivers Wiles, aged 25, of Ripley, and Miss Laura G. Kirkpatrick, aged 24, married in Cincinnati.

Merchants in the city are asked to decorate in honor of the all-day High School Commencement June 9th.

Dr. W. R. Heflin has been elected a representative from Eureka Lodge, Newport, to the State Grand Lodge, K. of P.

Augusta citizens will shortly vote on the question of issuing \$12,000 worth of bonds to build an electric light plant.

The music pupils of Hayswood will give their second recital this evening in the lecture room of the First Presbyterian Church.

By a vote of four to two the Augusta Council decided to donate \$3,000 to aid the F. A. Neider Co. to construct a new and larger building.

"Boost" the Redmen's Powwow and Carnival.

The cost of maintaining the English Navy now amounts to \$22 a year for every family in Great Britain, or more than two weeks' wages for the great body of the working people.

A CONTINUAL STRAIN.

Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and despondency. They cannot, as a rule, get rid of this "continual strain," but they can remedy its health-destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25c; regular size, 75c. Sold by Henry W. Ray, Post-office Druglist.

Has Cured More Women Than Any Other Medicine in the World.

Its annual sales are greater than those of any other medicine exclusively for women. It holds the record for the greatest number of actual cures of woman's ills.
